

TO WHOM IT MAY CONCERN

I confirm that Victoria Garcia Bishop has worked for me as a chef in Sotogrande, Spain.

I have always been more than satisfied with the standard of Victoria's work. Victoria has always worked well as part of a team with my staff, often in stressful conditions cooking for large numbers of people.

She is a very willing and pleasant person and I would recommend her to any prospective employer.

**The Duchess of York**

5<sup>th</sup> September 2008

I could not recommend her ability more -  
Beautiful Presentation.
